

This soil survey was compiled by the US Department of Agriculture, Natural Resources Conservation Service, formerly Soil Conservation Service, and cooperating agencies. Compilation materials included aerial analog orthophotographs from 1991. Base maps are digital orthophotographs prepared by the U.S. Department of Interior, Geological Survey, from 1992-1993 aerial photography. Hydrography and culture data layers were acquired from various Pennsylvania Department of Transportation sources, therefore, some of these features may not align exactly with the base imagery and are meant to be used for orientation only. Hydrography and cultural layers were originally captured with a source scale of 1:24000.

North American Datum of 1983 (NAD83). GRS 1980 Spheroid 1000-meter ticks: Universal Transverse Mercator, zone 18. Digital soils data are available for this quadrangle.

YORK COUNTY, PENNSYLVANIA NO. 15

QUADRANGLE LOCATION

RED LION, PENNSYLVANIA  
7.5 MINUTE SERIES  
SHEET NUMBER 15

1	2	3	1 YORK HAVEN
